Dear Friends,

When BVL was established in 1942, it was founded on a simple promise that America's bowlers would always be there for those who serve our country.

For the past eight decades, the entire bowling community has raised more than \$56 million to help BVL fund essential recreation therapy programs for veterans.

Over the past year BVL made our largest donation ever, thanks to the incredible generosity of the bowling community. A \$500,000 check was equally divided between VET CENTERS and the National Association of State Veterans Homes (NASVH), allowing each organization to provide impactful programs for veterans.

VET CENTERS serve as local community centers for veterans and provide essential recreation therapy through creative programming. Working with NASVH, BVL is funding cutting-edge virtual reality therapy equipment to 50 state veterans' homes this year. BVL can connect veterans with these innovative therapy programs because of an industry that cares about those who have served our country.

As the Chairman of BVL and President of Maple Family Centers, it is an honor to host the PBA50 Johnny Petraglia BVL Tournament of Champions. Many know Johnny as one of the greatest bowlers in PBA history. I also know Johnny as my lifelong friend, an incredible person who not only served this country during the Vietnam War but someone who advocates for the needs of veterans every day.

Johnny has been an ardent ambassador for BVL for 50 years, always answering the call when a fellow veteran needs a hand or a voice to speak up for their cause. I have profound respect for Johnny, not only as a bowler but as a family man and a veteran who has given more to his country than we can ever repay.

BVL will continue to keep that promise made so many years ago – to pay back the debt we owe every veteran. Thank you for joining all of us at BVL and Maple Family Centers as we support and salute all who have served. God bless America and thank you for supporting America's heroes.

- John M. LaSpina

Johnny Petraglia:

BVL's Hero on & off the Lanes for 50 years

Vietnam Veteran and PBA Legend Johnny Petraglia marks his 50th year in support of BVL in 2023.

Petraglia, who served in the Army from 1967-68, is a tireless supporter of the work BVL does to support veterans through recreation therapy.
